Re: Future 50 Recognition

On behalf of myself and everyone at Associated Financial Group, we want to extend our congratulations on your recent recognition to Milwaukee's Future 50 Fastest Growing Companies. It is a great honor to be able to partner with such a growing and visionary company.

Even in this difficult economic climate, it is wonderful to see companies such as Xten Industries prosper and achieve the way you have.

We truly value our partnership with you and look forward to growing with you in the future.

Sincerely,

Eric Burrows
